_____

2. Payment Terms

2.1 Payment Schedule: The Client must agree to pay the Developer for the services provided according to the following payment schedule:

- 70% of the total project cost, which is ₦ [70% of the total cost], shall be paid upfront before the Developer commences work.
- The remaining 30% of the total project cost, which is ₦ [30% of the total cost], shall be paid upon completion of the project and before its deployment.

2.2 Additional Costs: The Client understands and agrees that the following additional services will incur extra costs:
For a Web-based Project,
- Adding a Database: ₦50,000
- Adding Extra Pages: ₦15,000 for every 3 additional pages
- Newsletter Functionality: ₦20,000
- Paystack Functionality: ₦60,000

For a Design Project,
- ₦15,000, for 5 additional UI Boards.

The Client shall be informed in writing of any additional costs before they are incurred.

3. Commencement of Work

3.1 Work Initiation: The Developer shall commence work upon receipt of the upfront payment as specified in Section 2.1.

3.2 Legal Terms and Conditions: The Client acknowledges and agrees to fulfil the following legal terms and conditions before the work can commence:

- The Client shall provide all necessary materials, content, and resources required for the project's development.
- The Client shall provide timely feedback, clarifications, and approvals during the project development process.
- The Client shall comply with all applicable laws, regulations, and intellectual property rights.

4. Intellectual Property

4.1 Ownership: Upon receipt of full payment, the Developer assigns all intellectual property rights of the project to the Client, except for any third-party components or materials used in the project.

5. Confidentiality

5.1 Non-Disclosure: The Parties agree to keep all confidential information received during the project's development confidential and not disclose it to any third party without the written consent of the disclosing Party.

6. Termination

6.1 Termination by Client: The Client may terminate the contract by providing written notice to the Developer. In such cases, the Client shall be responsible for paying for the work completed up to the termination date.

6.2 Termination by Developer: The Developer may terminate the contract if the Client breaches any terms and conditions outlined in this Contract. In such cases, the Developer shall retain the upfront payment as compensation for work completed.

7. Governing Law and Jurisdiction

7.1 Governing Law: This Contract shall be governed by and construed in accordance with the laws of [My Jurisdiction].

7.2 Jurisdiction: Any disputes arising out of or in connection with this Contract shall be subject to the exclusive jurisdiction of the courts of [My Jurisdiction].

IN WITNESS WHEREOF, the Parties hereto have executed this Project Development Contract as of the effective date first written above.
